This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

INDEX.

STALLIONS.

[*Figures in brackets are the pedigree numbers of stallions, and figures without brackets are the numbers of mares; figures at the end of line are numbers of pages in this volume where entry is recorded; figures preceded by the letter s. indicate that the horse at that number is sire of a stallion; c., that he is sire of a colt; m., that he is sire of a mare; and f., that he is sire of a filly. Names of stallions not entered in Stud-Book are given in italics.*]

(*l*) Woodiwiss, Sam, Graveleys, Great Waltham, near Chelmsford.

Young, Charles, Mangester, Brae, Shetland.
Young, Magnus, Mangester, Brae, Shetland.

RULES AND REGULATIONS OF ENTRY
FOR TWELFTH VOLUME.

1. COUNCIL.--All Entries when lodged become the property of the Council, and are received subject to the decision of the Council, to whom is reserved full right to investigate, amend, or alter, and to publish in the original or in an amended or altered form, or not to publish, any or every pedigree presented for entry; and no pedigree lodged with the Council can thereafter be withdrawn or altered by the entrant or other person, except by the written authority of the Council.

2. CONTENTS OF VOL.—The Eleventh Volume will contain additional produce of Mares entered in previous Volumes; Pedigrees of Mares having produce before 1st September, 1901, and of Stallions foaled before 1st January, 1898.

3. CLOSING DATE.—The last date of receiving entries will be 31st December, 1901.

4. GENERAL INSTRUCTIONS.—All Entries must be made on the Society's Official Forms, and should be *posted* to the Secretary, at Carmelite Buildings, Aberdeen.

5. GENERAL REQUIREMENTS.—The name and address of the breeder of every animal whose pedigree is sent for registration must be given on the Entry Form. (*a*) *Stallions.*—The sire, dam, age, height, colour, and distinctive markings of every animal *must* be given. (*b*) *Mares.*—The sire, dam, age, height, colour, and distinctive markings of every animal should be given. The sires must be registered or certified to be eligible under Rule 6. [See (A) Form of Certificate required.] Breeders and Owners are requested to be very careful in stating marks.

6. HEIGHT.—No stallion that exceeds 42 inches in height, at full 4 years old, shall be eligible. Mares at 4 years old, and upwards, must be under 42 inches in height. Mares having produce at 3 years old must not exceed 40 inches in height, at date of entry. Measurement to be made by a stick, and not by tape.

7. MARES MUST HAVE PRODUCE.—Mares shall not be accepted for entry until they have had produce by a sire registered or eligible for registration. Produce to be entered along with Mares. The Secretary, when required, shall issue to the Owner a certificate provided for in Form B. Fee 1/-.

8. VERIFICATION OF PARTICULARS.—The Editing Committee may at any time take the necessary steps to verify the height and other particulars of ponies presented for entry.

(A) FORM OF CERTIFICATE FOR PRODUCE BY UNREGISTERED SIRES.

I hereby certify that the above Stallion (or Mare) was sired by , a Stallion eligible under Rule 6.

Signature of person making the entry,

Date, *19*

(B) CERTIFICATE.

I hereby certify that Mr. , has entered as produce of a Shetland Mare, , a Colt (or Filly) foaled 19 Colour, Markings, and that such Colt (or Filly having produce) is eligible for entry in the Stud-Book, if he (or she) does not exceed 42 inches at four years old.

(Signed)

Secretary.

ENTRY FEES.

For Twelfth Volume, - - - - - -	Members, 2s. 6d. Non-Members, 5s.
Additional Produce of Mares entered in previous Volumes,	Members, 1s. Non-Members, 2s.

Separate Forms of Entry for Stallions, Mares, and additional produce of Mares, may be had on application to ROBERT R. ROSS, Secretary, Carmelite Buildings, Aberdeen.

THE ROSEMOUNT PRESS, ABERDEEN
